DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest a transmission-interval calculation section for calculating an allowed transmission frame rate of user frames for each user by using the minimum transmission frame rate or the peak transmission frame rate, for calculating a reference transmission interval of the user frames for each user by using the calculated allowed transmission frame rate, and for calculating a minimum transmission interval for each user by using the peak transmission frame rate; a time calculation section for calculating a first estimated transmission time for each user by using the reference transmission interval and for calculating a second estimated transmission time for each user by using the minimum transmission interval; a determination section for determining the user having the earliest first estimated transmission time among one or more users corresponding to one or more frame queues where at least one user frame is stored, and for determining whether a user frame is to be transmitted according to the second estimated transmission time for the determined user.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
